Children's parties at The Old Marron Farm

Take the worry out of entertaining the kids by having a birthday party at Albany Bird Park and Nipper's Café. We provide party food, a great venue, and lots of animals and birds for the kids to see. You are guaranteed to have a good time even if it is raining on the big day!

You are welcome to bring your own cake and paper plates, or we can provide plates for you at a \$10 cakeage charge. You can also bring your own balloons/streamers (no party poppers or confetti please).

Also see our flyer for Segway Parties and visit our website for further information at www.albanymarronfarm.com.au.
